

Mounting Redcat Access with Hear and Learn PowerMount installation bracket (RCWB)

Mounting Instructions

PowerMount

Wall mounting your Redcat Access?

Using the PowerMount system means the Redcat Access hides the power point / GPO for an aesthetically pleasing and tamper free solution.

For a Redcat Access manual and help go to hearandlearn.com.au/install

Finished look of wall mounted Redcat Access with PowerMount system. Redcat Access for rooms up to 100m² floor space. Redcat Access is mounted at chest height close to the middle of the longest wall in the room.
