

HEARING AUGMENTATION VIA UCONNECT SOUNDDHOUSE (WITH VOICE, PA AND AUDIO DISTRIBUTION) WITH TWO SOUNDDHOUSES IN ROOMS OVER 100m²

HearAssist

Best of breed post-install commissioning, staff training & ongoing support to ensure industry best practice.

Exclusive to Hear and Learn, UConnect SoundHouse is a complete, premade and designed schools Hearing Augmentation Centre for learning spaces.

Expert Access Consultant Report on Compliance Readiness available on request.

- ✓ **UCONNECT SOUNDDHOUSE INTERFACE**
Hear and Learn UConnect SoundHouse is a high quality, bespoke steel cabinet for connection to portable or fixed transmitters. Featuring a polycarbonate TransmitterTray and the SecureSlide System. Designed to be mounted on, or recessed into the wall, it is free from trip risks with all electronics, power supplies and cabling inbuilt.
- ✓ **LOW FOOTPRINT**
Low profile UConnect SoundHouse includes the smallest cable free teacher and student microphones for optimal, high quality audio distribution.
- ✓ **COMPLIANCE READY**
Hearing augmentation is achieved by UConnect's collection of inbuilt amplified audio including PA and its transmission to receivers in hearing aids. Expert Access Consultant Report on Compliance Readiness available on request.

- ✓ **AGNOSTIC & AGILE**
UConnect SoundHouse is future proofed to any changes in brands of receivers supplied to learners by the Federal Government. Any hearing aid transmitter can be connected seamlessly.
- ✓ **QUALITY AUDIO**
Bespoke internal electronics makes audio hearing augmentation 'plug and play' ready.
- ✓ **LOCAL**
All audio signals and PA are augmented to hearing aided learners, teachers and visitors.
- ✓ **SIGNAGE**
Required braille and tactile bespoke signage with simple and child friendly operating instructions supplied.

- ✓ **SECURE**
UConnect SoundHouse SecureSlide System guarantees that hearing aid transmitters are secure, protected and always accessible.
- ✓ **PA PRIORITY**
Hearing aided people receive 100% prioritised PA messages, free from other audio, maximising their safety.
