

## Hear and Learn Teacher's Flexmike

Comparison with Other Mike Options

### Flexmike™

Flexmike is designed for the teacher: easy to operate and comfortable to wear. Volume controls allow the teacher to quickly and conveniently make adjustments to the microphone volume as needed.

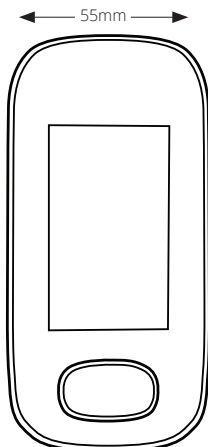

<b>Description</b>	Pendant-style transceiver
<b>Earbud lanyard</b>	Magnetic clasp with integrated earbud
<b>Wireless communication</b>	Access Technology (1.9 GHz)
<b>Integrated microphone</b>	Uni-directional electret
<b>Volume control</b>	+/- 6 dB
<b>Battery life</b>	8 hours (fully charged)
<b>USB connection</b>	Type C for charging and audio
<b>Dimensions</b>	(L x W x H) 74 x 28 x 18mm
<b>Weight</b>	1.2 oz (34g)

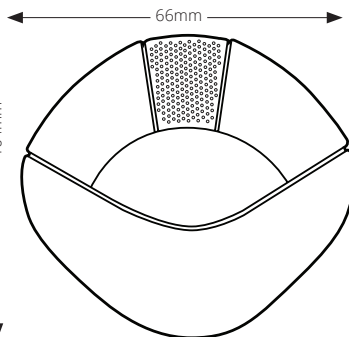

The lightest teacher microphone in the industry. It includes volume control, charging cradle, and a convenient, comfortable, magnetic clasp lanyard.

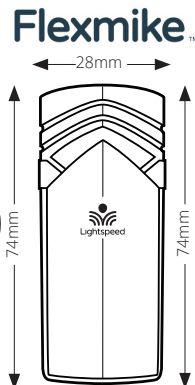

**POINT-TO-PAIR FUNCTIONALITY**  
When used with 2022 Model Redcat, teachers can use their own Flexmike from room to room to prevent mike sharing
