

Topcat

POINT-TO-PAIR-))

UConnect All Ears Soundfield and Voice Save Solutions

New Flexmike is
28% smaller & 33% lighter

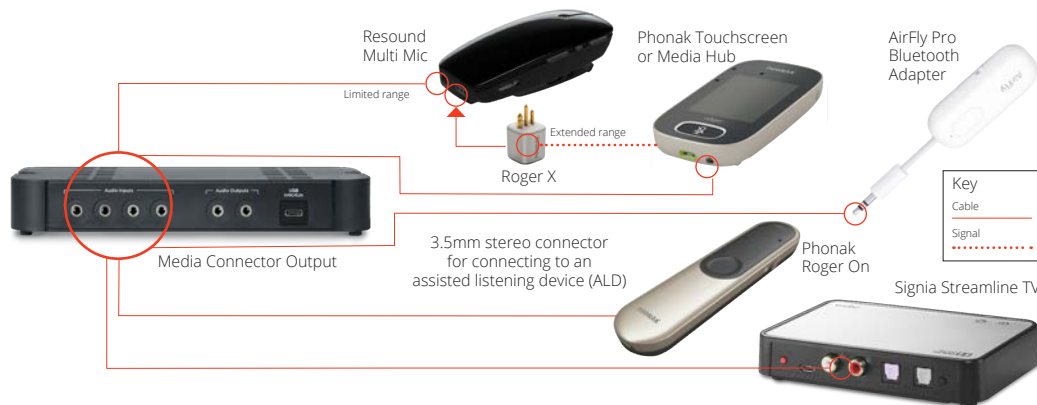

Topcat TCN's hybrid speaker design delivers superior audio quality of voice and multimedia

All-in-one design combined with wireless audio integration makes installation simple and cost effective for both new construction and existing classrooms.

Combined with Flexmike, Topcat delivers the teacher's voice clearly throughout the classroom.

- Wireless multimedia integration
- Seamless design, wall mounted installation
- Add a second microphone for student sharing
- Receives and broadcasts PA messages

Connect to any aid

...and overcomes physical barriers to listening.

CEILING-MOUNTED

TOPCAT MOUNTING BRACKET

Topcat TCN wall bracket covers power points to ensure no tampering and best aesthetics.

Topcat

INSTRUCTIONAL AUDIO SYSTEM

Ceiling-mounted Instructional Audio

Topcat seamlessly lays into the ceiling to deliver crystal clear audio for the whole class. The wireless Media Connector enables audio integration without long cable runs, while Activate and Pods can be added to facilitate small group collaborative learning.

Specifications
