UConnect mini! Exclusive to Hear and Learn, UConnect Mini is a complete, premade, designed for schools Hearing Augmentation Centre for learning spaces.

Expert Access Consultant Report on Compliance Readiness available on request.

The UConnect Mini Wall Panel is mounted 1000mm from the bottom edge to the floor. It must be unobstructed and in line of sight to all learners in the learning space.

- ✔ **Compliance Ready:** Requirement to deliver hearing augmentation (UConnect's collection of inbuilt amplified audio including PA and its transmission to receivers in hearing aids) achieved.
- ✔ **Agnostic:** Any transmitter to hearing aids can be connected to UConnect Mini. Future proof to changes in brand of receivers supplied to learners by the Federal Government.
- ✔ **Local:** All audio particular to the learning space is delivered to hearing aided learners, teachers and visitors and not only generic PA signals.
- ✔ **Signage:** Required bespoke hearing augmentation braille and tactile signage supplied along with child friendly operating instructions.
- ✔ **Low footprint:** Low profile UConnect Minismallest cable free teacher microphone and discreet speaker systems.
- ✔ **Quality audio:** Bespoke internal electronics makes audio hearing augmentation ready.
- ✔ **Secure:** UConnect Mini SecureSlide means hearing aid transmitters are secure and accessible

PA PRIORITY
Hearing aided people receive 100% prioritised PA signals free from other audio to maximise safety.
